LEADING THE WAY

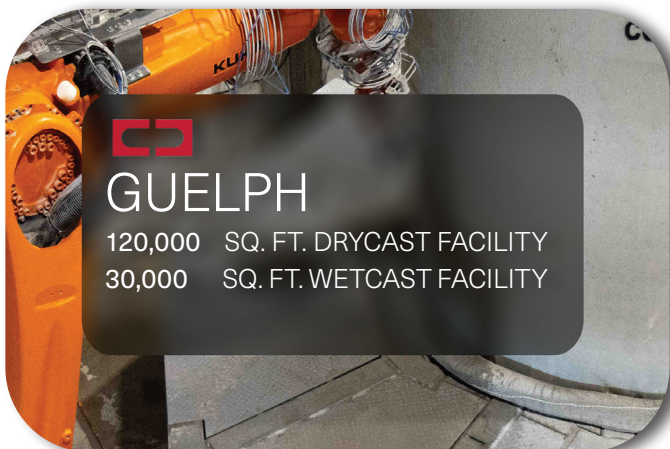

Any vendor can deliver pipe. At CONCAST, we see ourselves as more than just a supplier of infrastructure products. We believe we are partners, working with our clients to develop effective precast concrete solutions. We're driven to provide products, service and technical support that go above and beyond industry standards.

Leading the industry since 1989 with new, comprehensive solutions. We are committed to excellence, and we constantly invest in ongoing innovation in pursuit of our ultimate goal: providing only the best for our customers.

Whether you require non-standard sizes, bridges, custom solutions, or expertise on how to address a challenging installation, we're here to help. We consistently deliver on time and provide service that exceeds expectations. Partner with us and let our team turn your toughest design challenges into our latest concrete solution.

TWO CENTRALLY LOCATED MANUFACTURING FACILITIES

Discover sheer performance excellence. The combined capabilities of these two facilities offer unmatched precast diversity and flexibility. Concast is in a class all by itself.

CAPABILITIES

We manufacture a complete line of precast infrastructure products including 300mm to 3600mm concrete pipe, 1200mm and 3600mm maintenance holes, MH and CB grade rings, as well as many other solutions. Customization is available for many of our core line offerings. Home of the HDPE lined PERFECT PIPE product line since 2016.

Improved manufacturing processes using automation and robotics result in less labour, safer working conditions and consistent quality products.

CUSTOMER RELATIONSHIPS LAST AS LONG AS OUR PRODUCTS.

As a full-service supplier of concrete and precast products, we pride ourselves on our innovative products and comprehensive approach to customer service. At Concast, we offer guidance, tools, and solutions to meet our customers' needs, establishing long-lasting, dependable relationships from the start to finish of any project. Our expert staff will provide assistance with project budgets, timelines, and material selection from our variety of infrastructure products including PERFECT PIPE. Choosing Concast ensures high-quality, reliable products and service, guaranteed.

3600 mm Reinforced Concrete Maintenance Holes - OPSD 701.015

SIZE (mm)	DESCRIPTION	HEIGHT (metre)	APPROX. MASS	PRICE \$	
3,600	Flat cap	0.450	10,500 kg/pc	12,702.96	ea.
3,600 - 1,200	Transition slab c/w steps	0.450	10,500 kg/pc	12,702.96	ea.
3,600	Riser c/w steps	0.610 - 1.829	11,042 kg/m	13,441.50	/m
3,600	Base slab	0.305	10,500 kg/pc	12,702.96	ea.
3,600	Safety grate supplied & installed			Upon request	
3,600	Prebenching			Not available	

NOTES:

- 1) Gaskets included in price.
- 2) Prices include hollow aluminum steps. Other options available upon request.
- 3) Please contact our Sales department for pricing on precast drop structures.
- 4) Maintenance hole risers are manufactured in increments of 0.305m.

APPLICATIONS:

- Access points and pipe junctions in storm and sanitary gravity sewer systems
- Valve chambers for watermain and forcemains
- Storm sewer catchbasins and ditch inlets
- Lift station wet wells
- Stormwater management structures
- Sump pits or underground storage tanks

Flexible Connectors

Pipe to maintenance hole connectors, supplied and installed.

7.83	8.14	35,205.20

NOTES:

1) Prices shown are based upon the most likely combination of pieces for each depth range - actual combinations and prices may vary.

2) The following design criteria have been used:

- 1500 mm & 1800 mm maintenance holes have 2.13 m of headroom before transitioning.
- 2400 mm & 3000 mm maintenance holes have 2.44 m of headroom before transitioning.
- Wherever possible, Taper Tops (Cones) are used instead of Flat Caps.
- Typical range for Frame and Cover is 225-350 mm.

3) Prices include:

- Precast maintenance hole components
- Gaskets
- 1200 mm diameter Safety Landings for Maintenance Holes 5.0 m & deeper

4) Prices do not include:

- Grade Rings (Adjustment Rings)
- Metal Frames & Grates
- Prebenching
- Flexible Connectors (Boots)

Monobox Maintenance Holes

SIZE (mm)	PRICE \$/metre
2,400 x 1,800	6,691.90
3,000 x 2,400	10,730.40
3,900 x 2,400	15,142.30
3,900 x 3,000	19,511.10

NOTES:

- 1) A minimum charge of 2.0 m will apply to all monobox maintenance holes.
- 2) Monobox maintenance holes are designed to a maximum depth of 7.0 metres. Please contact your CONCAST Sales Representative if the depth of the structure exceeds 7.0 m.
- 3) Above prices include the supply of butyl rubber joint sealer.

NOTES:

- 1) Heights indicate total precast height including monolithic base.
- 2) Above pricing includes precast catch basin price only - all other appurtenances are at an additional cost.

APPLICATIONS:

- Storm sewer catch basins in roadways, parking lots, rear lots, and open ditches
- Stormwater management structures
- Sump pits, or underground storage tanks
- Ditch inlet components can be combined with circular maintenance hole flat caps

Terms & Conditions

General

1. All sales agreements are made between the Purchaser and Con-Cast Pipe Inc. ("Concast").
2. All terms and conditions contained herein shall apply to any quotation and/or invoice provided by Concast to the Purchaser.
3. There are no warranties, representations and/or guarantees applicable to goods supplied by Concast to the Purchaser.
4. In the event the Purchaser purchases materials from Concast pursuant to this quote or price list (or otherwise) and supplies or incorporates said materials into an improvement (as defined by applicable provincial construction lien legislation), then Purchaser acknowledges and agrees that the said materials are subject to a prevenient agreement and that one continuing contract of supply is deemed to be in place.
5. The Purchaser agrees that Concast shall retain title to all goods and/or materials supplied by Concast to Purchaser unless and until the Purchaser has paid for the goods and/or materials in full. Concast shall have a continuing purchase money security interest in all such goods and their proceeds to secure the performance by the Purchaser of all its obligations to Concast. The Purchaser waives the right to receive a copy of any financing statement and verification statement and acknowledges receipt of a copy of this Agreement.
6. The Purchaser hereby authorizes Concast to conduct or cause to be conducted credit investigations/inquiries on Purchaser and any related persons or companies. The Purchaser hereby authorizes Concast to divulge credit references to other creditors as may be requested with regards to credit established and history of payments on account, and to use and disclose such information to the furthest extent permitted by law.
7. The Purchaser hereby authorizes Concast to collect, use and disclose credit reports or other information as may be deemed necessary by Concast, on an ongoing basis, respecting the Purchaser, the principals/officers/directors of the Purchaser, and the signatories on behalf of the Purchaser for the purposes of extending and administering credit.
8. All quotations, unless previously withdrawn by Concast, are open for acceptance by Purchaser for thirty (30) days from the quotation date, and if not accepted within that time, shall be deemed to be withdrawn by Concast.
9. All quotations are subject to any increase in sales tax, freight charges, or any new taxes imposed on this transaction which are payable or collectible by Concast, in which case the amount of such increases will be added to the final invoice.
10. Concast shall not be obliged to supply any goods or materials pursuant to a quotation, whether accepted or not, until such time as Concast has satisfied itself, within its sole discretion, as to Purchaser's creditworthiness.
11. The Purchaser shall satisfy itself as to the suitability for intended use of any goods or materials supplied by Concast.
12. Waiver of any one or more of the terms and conditions herein by Concast shall not constitute a general waiver of terms and conditions and Concast reserves the right to enforce any and all conditions not so waived. Any such waiver must be in writing.
13. Acceptance by Purchaser of any quotation provided by Concast shall constitute a valid and binding contract including but not limited to acceptance of all terms and conditions herein.
14. **Severability:** In the event that any provision of this agreement is held to be void or unenforceable, all other provisions of this agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated.
15. **Entire Agreement:** This agreement constitutes the entire agreement between Purchaser and Concast and supersedes and extinguishes any and all previous drafts, agreements, arrangements and/or understandings between them, whether written or oral. This agreement shall ensure to the benefit of and be binding upon the parties hereto, their respective successors, executors, administrators and assigns.
16. **Jurisdiction:** This agreement shall be governed by and construed under the laws of the Province of Ontario and the proper forum for the resolution of any claims or disputes arising from or relating to this agreement shall be Ontario, save and except that Concast reserves all of its rights and remedies as may be provided for under other provincial construction lien legislation.
17. **Force Majeure:** In no event shall Concast be responsible or liable for any failure or delay in the performance of its obligations hereunder arising from or caused by, directly or indirectly, forces and events beyond its reasonable control, including, without limiting the generality of the foregoing, strikes, work stoppages, shortages of labour and/or materials, accidents, acts of war and/or terrorism, civil and/or military disturbances, acts of theft and/or other crimes, acts of God, fires, floods, earthquakes and adverse weather events.

Terms & Conditions Continued

Payment

18. All invoices rendered by Concast to Purchaser shall be paid in accordance with payment terms as set out herein. Any invoice not paid within the terms as set out herein shall be deemed to be an "overdue invoice".
19. All invoices and statements of account rendered by Concast to Purchaser shall be considered correct if no objections are reported in writing by the Purchaser within 30 days of the date of the invoice or statement account, as applicable.
20. Interest at the rate of 2% per month, equivalent to 26.8% per annum, shall be charged by Concast to the Purchaser on any and all overdue invoices.
21. In the event it becomes necessary for Concast to pursue legal proceedings against Purchaser to collect any unpaid balances or other sums due and owing by Purchaser to Concast, interest at the rate of 2% per month, equivalent to 26.8% per annum, shall apply as pre- and post-Judgment interest with respect to any Judgment obtained by Concast against Purchaser, including any amounts awarded to Concast for legal costs and disbursements.
22. In the event it becomes necessary for Concast to pursue legal proceedings against Purchaser to collect any unpaid balances or other sums due and owing by Purchaser to Concast, or otherwise to protect and/or enforce Concast's rights under this agreement, Purchaser shall be liable to pay all legal and related costs and disbursements incurred by Concast on a full indemnity scale.

Return Policy

23. Concast retains the sole, unfettered and absolute discretion to accept or refuse return of any product or materials supplied to Purchaser. Permission must be obtained prior to any return being accepted. For further clarity, all sales are considered final, except at Concast's sole discretion.
24. Returns will not be accepted on any altered or damaged products.
25. Special Precast Concrete Products: In the event that special precast concrete products (including but not limited to fittings pipe, radius pipe, pipe with holes, scribed/cored manholes, rectangular chambers, box units, specialty precast, etc.) are ordered by Purchaser from Concast, Purchaser shall not be entitled to cancel such orders once placed. In the event that Purchaser seeks to return any such special precast concrete products, and in the further event that Concast is prepared at its sole discretion to accept return of such products, Purchaser shall not be entitled to any credit or refund for same unless and until such products are resold by Concast. Any such credit or refund shall be limited to the amounts obtained by Concast on resale, less applicable restocking charges as set out herein.
26. In the event Concast is prepared to accept the return of materials, then Concast's shipping department must be contacted a minimum of 3 days prior to the proposed return. The shipping department can be contacted at 1-800-668-7473. Concast requires an accurate list of materials proposed to be returned, including but not limited to quantity, size and/or length, class and description of materials.
27. Re-Stocking Fees: A handling charge equivalent to 25% of the purchase price of the materials accepted for return shall be deducted from any amounts to be credited.

Freight and Freight Charges

28. All prices quoted herein by Concast include the delivery cost for a freight on board ("FOB") truck to the Purchaser's designated delivery sites, provided the designated delivery sites are located within 250 kilometres of Concast's Guelph or Oakville facilities. Any deliveries to destinations in excess of 250 kilometres from Concast's Guelph or Oakville facilities are subject to additional delivery charges.
29. A delivery less than the minimum truckload quantity is priced F.O.B. from our plant. Concast reserves the right to charge an additional amount for deliveries of less than the 20,000 kg minimum truckload quantities, other than the final load to complete a specific order. Contractor will be charged additional fees associated with deliveries requiring the use of the Stake or Straight trucks that are less than the minimum truckload quantity of 20,000 kg pending any extraneous circumstance(s).

Terms & Conditions Continued

Payment

- 30. Exclusion of Liability:** Concast shall not be liable for any delay or non-delivery arising from or caused by, directly or indirectly, forces and events beyond its reasonable control, including, without limiting the generality of the foregoing, strikes, work stoppages, shortages of labour and/or materials, accidents, acts of war and/or terrorism, civil and/or military disturbances, acts of theft and/or other crimes, acts of God, fires, floods, earthquakes and adverse weather events.
31. Delivery shall be made as close to the jobsite, designated storage area or line of trench as is practical for loaded trucks and trailers operating under their own power, without risk of accident, injury or undue delay. The Purchaser shall provide and maintain suitable access roads to the project site for delivery of product.
32. Loads that have been released for shipment through Concast's Shipping Department, that are not cancelled through direct contact with our Shipping Department or have not used the shipping phone line (load cancellation extension) before 5:00am on the specified day of delivery, and arrive on site are the responsibility of the Purchaser to off-load. If a delivered load of product is returned to Concast from site, the purchaser is subject to a \$500.00 charge for return and handling of such returned materials. Furthermore, if product is delivered to the site and the purchaser does not have safe and capable means to off-load product which results in the load being returned to Concast, the Purchaser will be charged a \$500.00 fee for return of product to Concast. Please contact your sales representative for further clarification, if required.
33. Concast shall be entitled to charge the Purchaser for unreasonable delay in unloading or releasing of its delivery vehicles. All deliveries allow for a one (1) hour maximum of delivery vehicle time on site for off-loading. If there is any additional time on site, Concast reserves the right to charge the customer for additional time spent on site during offloading and to hold the release of any subsequent trucks until all trucks are off-loaded and released from site.
34. Quotations for precast products are based on deliveries being made in normal working hours and subject to load restrictions. Weekend or night deliveries will be subject to additional delivery charges.
35. The Purchaser shall give Concast three (3) business days notice of delivery requests.
36. Unless otherwise specified, all quotations are made on the conditions that full delivery will be taken within six (6) months from acceptance of order. Any product delivered after this period may be subject to increase in price as shown on Concast's then current price list. Concast reserves the right to invoice a customer for product that has been made specific and special for a project if it has not been delivered to site within six (6) months from the date of the receipt of the order.
37. The Purchaser will inspect the products at the time of delivery and any claims in respect thereto shall be made at that time. If any such products are found to be defective, Concast will deliver replacement product to the Purchaser at the site of the work. Concast's liability for defective products is limited to the replacement of same product at Concast's cost. Concast waives all responsibility of any deficient product not reported immediately after the delivery.

Sales Tax

38. HST (Harmonized Sales Tax) is EXTRA.

Terms

39. Net thirty (30) days from the date of the invoice.

Specialty Precast Notes and Disclaimers

1. Box unit, chambers, and Tri-Span units include jointing material of butyl rubber and filter fabric. This should not be considered a watertight joint solution. Waterproofing of the box, chamber, or Tri-Span units is the responsibility of the contractor. For technical support and alternative waterproofing options, please contact your Sales Representative.
2. Contractor responsible for supply and installation of all miscellaneous metals, frame and covers, ladders, etc. unless otherwise specified on quotation.
3. Contractor responsible for coring valve stem openings into flat caps.
4. All box unit and chamber sections are supplied with bell and spigot joints. Tri-Span units are quoted with flush end joints (butt joints). If a shear joint connection is required, the contractor is responsible for the supply and installation of any structural connection plates and fasteners to achieve the shear reinforcing strength required as per CHBDC CAN/CSA S6.
5. Details and size of hole openings in precast structures to be approved by contractor based on shop drawings supplied by Concast.
6. Delivery date of the quoted precast units will be subject to receipt of purchase order and approved shop drawings.
7. Quoted prices are for the supply and delivery of precast concrete units F.O.B. (freight on board) truck at jobsite. Off-loading and installation is by others. The price includes one (1) hour of truck waiting time for each truckload delivery. Additional charges will be added to invoices if the truck is waiting on site for more than one (1) hour.
8. It is the responsibility of the contractor to rotate the units on site to the "installed" position if they are being shipped in the opposite orientation due to shipping constraints.
9. Quoted products include the use of concrete exposure class C1 and reinforcing bars as per CAN/CSA G30.18, Grade 400W. If any other type of concrete, reinforcing bars or reinforcing labour (i.e. tying of reinforcement bar) are required for the precast concrete product quoted, Concast reserves the right to requote the product. All reinforcing steel in the quotation only covers welded steel unless otherwise detailed on the quotation.
10. Precast concrete products quoted will be cured until a minimum strength as specified on the drawing is achieved. No extended or wet curing operations are included unless otherwise stated on the quotation. Concast reserves the right to requote the product if extended or wet curing is required.
11. Unit prices are firm, but sizes, quantities, and classifications are the responsibility of the contractor to verify for accuracy.
12. Prices are quoted excluding sales tax.
